

Support Keep South Fulton Beautiful Inaugural

TEAM to be Green Golf Tournament

Keep South Fulton Beautiful (KSFB) is proud to announce our inaugural **TEAM to be Green Golf Tournament on October 20, 2018, at Wolf Creek Golf Club** located in South Fulton to support environmental education and training programs in schools, for community partners, and a startup tool bank.

In 1985, KSFB became a certified affiliate of Keep America Beautiful. KSFB has served the South Fulton communities as a liaison for the community in environmental education and awareness on environmental issues including beautification, water, air, litter, clean-ups, healthy eating, and how these issues affect our total quality of life and economic development. We are a total voluntary organization.

KSFB is implementing an interactive educational program for our school age students called The Littered Path. This helps to create a culture of opportunity and discovery. This program created by our staff, teachers, a school psychologist and students, assist these youth who are our leaders of tomorrow, into creative critical thinkers with the vision and courage to impact a global society by learning the impact of our physical environment. Our community is very diverse and regularly faces challenging circumstances. We are also very supportive of the STEAM educational program (Science, Technology, Engineering, Arts and Math.)

KSFB is able to develop these type programs and projects because of supporters like you; after all, supporting our youth includes all of **US**. Again, the KSFB fundraiser this year will be used to support our educational programs, updated training for our volunteers and community partners with advanced technology, enriched learning experiences, and innovative teaching materials as well as helping to develop a community startup tool bank.

As a sponsor of **TEAM to be Green**, you will be part of the solution. Additionally, sponsors receive a multitude of recognition opportunities across various online and physical platforms.

A sponsorship package is included with details on the levels available. Please complete the attached card and mail to **P.O. Box 326 Union City, GA 30291** or **contact us directly, and member of our team can pick it up directly**. We welcome the opportunity to answer questions or provide additional detail, or work with you on a customized sponsorship opportunity.

Sincerely,

Corey A. Reeves, Chair
